AZADI Fine Rugs founder, David Neishabori, has worked tirelessly to ensure that needy families, in particular disadvantaged children, have a joyful holiday season. Teaming up with the design community (the "AZADI Angels"), AZADI assembles and distributes food, clothing, toys, games and treats for the children to enjoy. Past recipients of the AZADI Angel Program have been Ryan House, Banner Children's Hospital, Children's First Academy, the Sedona Community Food Bank, Telluride Angel Baskets, Teton County Youth and Family Services in WY, and Alice Cooper's Solid Rock Teen Center. For some of these children the items we provide may be the only thing they receive for Christmas. There is nothing better than the smiles and hugs we experience the day we deliver the gifts.
